Structure and Governance

a. Are members of your organization residents of this specific region you seek to represent?

Yes

Are the officers of your organization residents of this specific region?

Yes

Please explain the answer above in sufficient detail so that a person not familiar with your Organization would be able to understand the reasons for your answer. In addition, please reference the URLs where your bylaws, operating principles or other supporting information related to this question can be found:

Developing the women and the community of our district is our main objective. Current aims include providing capacity building related to marketing for women, and developing women's activities, their health and the health of their families, supporting the learning and development of income-generating activities as well as the sale of handcrafted products. The Internet is the perfect way to try to achieve these goals.

c. Is your organization formally incorporated or organized under a national legal jurisdiction?

Yes

IF YES: Please describe what legal recognition it has and indicate the place of legal incorporation or registration.

Registered at the prefecture of Zagore - Draa Tafilalte region

d. Describe your organization's structure (e.g. governing and decision-making bodies and processes):

Our decisions and activities are obtained through a democratic framework - the deep meaning of governance, an old decision-making and mediation tool in our region - engaging all members, not just the members of the office, in the development of activities and the decision-making processes

e. In what language/s does your organization conduct its business?

2 languages: Tamazirte and Arabic

About Your Members

a. Do you have individual members with the ability to vote in or otherwise control the management of the organization?

Yes

IF NO: Describe what role individuals have in the management and work of the organization.

Ms. Mama Fakir - consultant; Ms. Khadija Ait Ahmed - treasurer

b. Do you members belong as a whole or in part to an organization?

No

IF YES: Describe whether they are profit-making, non-profit-making, a mixture of both, and/or what proportion of the total membership each type of private sector organization is. Please also describe what the nature of the organizational members is: For example, are they all of a similar type or interested in a similar activity or policy area?

c. Do you have governmental bodies, or quasi-governmental bodies, as members of your organization?

No

IF YES: Please describe their nature and role in the decision-making process and the operation of your organization, as well as the proportion of the total membership made up of these types of organization.

d. Describe the general membership. Do they belong predominately to one (or more) professional background or interest group? (E.g. journalists, online rights activists, consumer organizations, individual consumers, etc.):

Our association is located in an oasis region in the southeast of the Morocco, and presents one fundamental characteristic: All our members work in the farming industry.

e. Describe how your organization keeps its membership informed about, and enables them to participate in, decisions regarding issues of interest:

We are located in an area where tribal ties are very strong. Our commune is composed of 4 douars (small villages). Our members belong to the four douars and are informed at each meeting of all actions and decisions, in the presence of all the members of our association. Since the establishment of our association in 2010, we have had between 70 and 100 members. Therefore, we take our decisions during our plenary meetings.

f. Approximately how many members, of each type of membership class if you have more than one, do you have?

Depending on the years, the number of members varies between 70 and 100.

g. Explain the eligibility requirements (if any) for your organization's constituents/membership:

No criteria. The poverty as well as the social and economic vulnerability of our region requires us to welcome all the women in our commune.

Funding

a. What is the primary source, or sources, of funding for your organization? (If unfunded/entirely voluntary simply indicate "N/A"):

N/A

b. Is your organization mainly self-supporting and would not be dependent on ICANN funding for the day-to-day operations of the organization?

Yes

c. Do you receive any funding from government agencies or for-profit entities? If so, please describe below and describe their involvement in the activities of the organization (if they so participate):

No, no funding

Communication

a. Does your Organization commit to supporting its individual constituents'/membership's informed participation in ICANN?

Yes

b. Does your Organization post, on the Internet publicly-accessible, current information about your organization's goals, structure, description of constituent group(s)/membership, working mechanisms, leadership, and contacts?

No

If this information currently is available, provide URLs:

Not yet, but the work is currently underway.

c. Provide the required information concerning your organization's leadership (leaders' names, positions, emails):

All women working on the field of agriculture, and following training and capacity building in several areas

d. Are the leaders of your organization, as individuals, involved in other similar organizations or entities?

Yes

If yes, please say which ones:

ISOC - Morocco

Objectives

a. Please, describe your organization's mission and purpose (Please post in the text box below or provide a URL, if posted):

Allow our members, as well as all women in our commune, to strengthen their skills in different areas, including income-generating activities.

This will be made easier and more accessible by the Internet, since our region is landlocked.

b. What ICANN-related issues currently are of interest to your organization's constituents/membership?

Internet accessibility and the establishment of a community. Internet, as a tool, is critical for communication, since our region is isolated and our entire population, men and women equally, is poor.

Has your organization set up any event, meeting, or real-life activity pertaining to Internet governance issues, or other issues related to the interests of individual users?

Yes

If yes, please provide examples:

It was the main point in the agenda of our last meeting. It turns out that access to and use of the Internet is crucial for our association so that we can develop and strengthen our project development skills, and the sales of our handcrafted products. The school principal in our commune has asked for our help so that the school gains access to the Internet and gets connected, which would allow the school to put in place an Internet literacy course.

d. Has your organization been active in international, regional, or national Internet governance issues?

No

If yes, please provide examples:

Not yet, but we have set goals to that effect.

e. If your Organization is accredited, will it commit to participating actively in the Regional At-Large Organization (RALO) for the region in which your organization is based?

Yes

f. If your Organization is accredited, does it or will it agree to adhere to the provisions of the Memorandum of Understanding (MoU) between the other ALSes in your Geographic Region and ICANN, as if it were an original signer of that document?

Yes

g. Does your organization have written bylaws or other constitutional instruments?

Yes

IF YES: Please insert the text of the written bylaws or other constitutional instruments below (in English if available)

I will forward them to you later. They are written in Arabic, the official language of our country. Our bylaws were filed and signed by the vice president of the commune of Tamegroute, prefecture of Zagora, under number 93/ش م dated 24 February 2010
