Structure and governance

at. Do members of your organization reside in the specific region you wish to represent?
Yes

b. Do your organization's management members reside in that specific region?
Yes

Please explain the answer above in sufficient detail so that the reasons for your answer are understandable to someone who is not familiar with your organization. Please also attach or mention as reference URLs to obtain the statutes, principles of operation or any other information related thereto:

Our organization aims indeed the promotion of the Internet at the scale of our country. This Association wants to be the bearer of the voice of the Malagasy Internet community as a whole and advocate on their behalf with Internet providers both in terms of accessibility (costs, materials, contracts, information, etc.) than on the plan for the best use (training, research, etc.), but also to the national authorities concerned by the management of the Internet. The statutes and the operating principle of the Association can be found at <http://www.isoc.mg>

c. Is your organization formally incorporated or organized under a national legal jurisdiction?
Yes

IF YES: Describe the legal recognition that it enjoys and indicate the place of registration or legal incorporation as a company.

We are an Association (the Malagasy legislation specifies that it is not-for-profit) which received its receipt of declaration of constitution in July 2017 from the competent authorities.

d. Describe the structure of your organization (eg governance and decision-making bodies):
- the highest authority is the General Assembly (GA) of the Members
- the Administrative and Technical Council (CAT) executes the decisions of the General Assembly and its Bureau consists of the President, the Secretary General, the Treasurer and 3 Councilors

e. What are the working languages used in your organization?
French, Malagasy, English.

About your members

at. Does your organization have individual members who are allowed to vote or control the administration of your organization?
Yes

IF NO: Describe the role of individuals in the administration and operation of your organization.

b. Do your members belong in whole or in part to an organization?

Yes

IF YES: Indicate whether these are for-profit organizations, non-profit organizations, both types of organizations, and / or what is the proportion of your total membership that represents each type of organization. private sector organization. Also indicate the nature of the members of the organization: for example, are they all of the same type or interested in a similar activity or policy area?

Our members belong to different sectors, in the same way the objective of the Association which wants to be bearer of the voices of all the entities which make up the local community of Internet: the students, senior officials of the State, the operators telecommunications companies, registrars, journalists, high school teachers and higher education, etc.

c. Do you have members of your organization of government agencies or similar?

Yes

IF YES: Specify their nature and role in the decision-making process and the functioning of your organization, as well as the share of the total number of members represented by these types of organizations.

They are ministers of ministries, but they carry our votes at the state level when it comes to strategic arrangements.

d. Describe the general composition of the members of your organization. Are there one or more professional backgrounds or predominant interest groups? (For example, journalists, online rights activists, consumer organizations, individual consumers, etc.):

As noted above, all constituent entities of the population are stakeholders:

- the predominant group is without hesitation the university community;
- Then, the professional Internet users, the service providers, the civil society in which we include journalists, human rights defenders, the consumer platform in the broad sense, etc.

e. Describe how your organization keeps its members informed of its decisions and allows them to participate in these decisions regarding issues of interest to them:

This is mainly through the Association's mailing list, in addition to our website.

f. Indicate approximately the number of members, for each class of members, if any, of your organization?

More than one thousand members (students in large numbers), but 125 members officially affiliated with ISOC World distributed as previously reported.

g. explain the established eligibility criteria (if applicable) for stakeholders / members of your organization ":

- a membership form is requested to be completed
- the annual fee marks the second criterion

Funding

at. What are the main sources of funding for your organization? (If your organization does not receive any funding / is fully volunteer, simply indicate "N / A"):

N / A

b. Is your organization autonomous and not dependent on ICANN funding for its day-to-day operations?

Yes
