- José Ovidio Salgueiro was recommended by LACRALO to be our Nomination Committee Delegate from LACRALO for a 2nd term.

- Four candidates submitted nominations for the LACRALO representative to serve on the ALAC for a term beginning at the end of the December 2010 ICANN meeting to the 2012 ICANN's Annual General Meeting. There was a teleconference held on August 31 2010

<[https://st.icann.org/lacralo/index.cgi?31\\_august\\_2010](https://st.icann.org/lacralo/index.cgi?31_august_2010)> with the four candidates before the start of the election period. The election of the LACRALO representative to serve on the At-Large Advisory Committee (ALAC) <<http://atlarge-lists.icann.org/pipermail/lac-discuss-en/2010/003055.html>> was completed, with Sergio Salinas Porto elected as the LACRALO representative. ALS participation in this election was high, with 28 out of 34 ALSes in LACRALO having voted in this election. This high level of online participation is a positive step in having a LACRALO virtual GA to vote on motions related to the modifications of the LACRALO Organising Documents <[https://st.icann.org/lacralo/index.cgi?ralo\\_organising\\_documents](https://st.icann.org/lacralo/index.cgi?ralo_organising_documents)> .

- A LACRALO Bylaw Working Group

<<https://community.icann.org/display/LACRALO/LACRALO+Bylaw+Working+Group>> was created from 25 August 2010 to look at two issues :

- to increase the length of the terms of the LACRALO chair and secretariat from one year to two years and for a maximum of two consecutive terms.
- to suggest options and procedures in dealing with inactive ALSes and possible draft modifications to the LACRALO organising documents to deal with inactive ALSes in LACRALO as it relates to quorum.

The WG worked online via a mailing list <<http://groups.google.com/group/lacralo>> and had 3 teleconferences in November 2010. Discussion is ongoing.

- A LACRALO Cartagena Showcase WG

<<https://community.icann.org/display/LACRALO/LACRALO+Cartagena+Showcase+Working+Group>> was created to plan and organise a LACRALO Showcase event at the ICANN Cartagena meeting in December 2010 to:

- highlight the activities of the ALSes of LACRALO in Latin America and the Caribbean
- engage in outreach activities for regional Internet user organisations attending Cartagena.

The WG had several teleconferences in October and weekly teleconferences in November 2010. The LACRALO showcase event was held on Monday December 6, 2010.

- Several persons initially responded to the call for regional persons to join the At-Large Improvements Working Teams <<http://atlarge-lists.icann.org/pipermail/lac-discuss-en/2010/002863.html>> , but attendance on actual Work Teams

<<https://community.icann.org/display/Improve/At-Large+Improvements+Workspace>>

' conference calls were low with only 2 persons participating.

- Two persons from LACRALO served on the At-Large Board Candidate Evaluation Committee
