

Governmental Advisory Committee

20th April, 2015

Mr. Alan Greenberg
Chair, ICANN ALAC

Dear Alan,

Greetings to yourself and your ALAC colleagues.

As you are aware, ICANN53 in Buenos Aires is rapidly approaching. The GAC is currently putting together its formal meeting agenda for the conference. I am sure that the ALAC is busy doing likewise.

The GAC and the ALAC share issues of common interest. These may include matters such as IANA Stewardship Transition, ICANN Accountability, community safeguards and the new ICANN Meeting Strategy.

Given the importance of these issues, the GAC proposes to hold our exchange session with ALAC as part of the GAC formal agenda for Buenos Aires. We have tentatively set aside the period 0930 to 1030 on Tuesday 23rd June on the GAC Agenda for the GAC to meet with the ALAC to discuss issues of interest to both parties. Please tell us whether this proposed time and format of the meeting would be suitable to you.

If you would like to meet with us, we further invite you to suggest topics for discussion that are of interest to the ALAC and its membership and that you would like to see on the draft agenda of our exchange in BA. Please note that it would be ideal to have this information by the end of May such that we can commence preparation to maximise the efficiency of our time with you.

Best regards,
