

Fouad Bajwa ALAC Candidate Statement:

I have been serving APRALO since 2010 and am dedicated to the objectives of the organization. I have been honoured to serve APRALO as its Co-Vice Chair and on certain occasions as an acting Chair. I would also like to thank APRALO members that have entrusted me with their support that I should represent APRALO in ALAC.

I believe that I can be of great potential and make positive contributions to ALAC while at the same time continue to manage the flow of comments and contributions between APRALO and ALAC.

There is immense potential in our geographical area of activity as we are part of a large volume of Internet users in the world. We can work issue by issue to help improve the technical coordination of the names and domain space with regards to the Internet users' perspectives and needs.
