RE: Local Host Invitation Letter to Attend the ICANN – 52 Meeting in Singapore

Dear Tuan Haji Ismail bin Ibrahim:

The Internet Corporation for Assigned Names and Numbers (ICANN) would like to invite you and your Dikir Barat team to showcase the cultural performance as part of the APRALO (Asian, Australasian and Pacific Islands Regional At-Large Organization) Showcase during the 52nd International Public ICANN Meeting. The meeting will be held 8-12 February 2015 at Raffles City Convention Centre located at Level 4, 80 Bras Basah Road, Singapore 189560.

The APRALO Showcase provides an opportunity for participants to showcase the diversity of cultures, and be updated on the work of APRALO. As part of its multi-stakeholder engagement model, ICANN meets three (3) times a year across different continents. It provides opportunities for participations to take part in the discussion of Internet development and governance issues. On average, ICANN meetings attract at least 1,200 participants from across the world. Additional information about ICANN meetings can be found at <http://meetings.icann.org/>; and further details of the ICANN52 meeting can be found at: <http://singapore52.icann.org/en/>.

We look forward to welcome you and your team at the meeting.

Best regards,

Yu-Chuang Kuek
