

The dates are set - EuroDIG will take place in Tallinn on 6-7 June 2017 / Swiss Hotel.

- **Meet us at the booth in the IGF Village and win free travel to EuroDIG in Tallinn!**

EuroDIG will celebrate its 10th anniversary next year in Tallinn. To get tuned, we would like to test how many details you know about EuroDIG and created a contest. Get the contest card at the booth and answer 10 questions. You can win:

- 1st prize: Travel support to the 10th EuroDIG in Tallinn (hotel and airfare within Europe)
- 2nd to 10th prize: gifts from former host countries

We assume that there are plenty of experts about EuroDIG. From all correct entries 10 winners will be selected in a lottery drawing on 8 December 2016 at 17:30 Mexico time. To do this we would like to welcome you all to a small reception at the EuroDIG booth.

- **SEEDIG and EuroDIG - Call for issues**

The [call for issues](#) is open and we are looking forward to receive submission until 31 December 2016 / 24:00 UTC. This is again a joint call, both for EuroDIG and the South Eastern European Dialogue on Internet Governance (SEEDIG). It will only take two minutes to make a submission because this is not a call for sessions or workshop proposals, we are asking for issues and topics of high interest to many stakeholders across Europe.

Please note: the dates for SEEDIG have changed it will now take place on 25 May 2017 in Ohrid, The former Yugoslav Republic of Macedonia.

- **Register now for the public planning meeting on 31 January in Tallinn!**

It is a tradition that the European and the local community are meeting during a public planning meeting to discuss the clustering of all submitted issues, the overarching theme and a first draft programme. It will take place on 31 January in Tallinn at the [e-Estonia Showroom](#). The meeting is open for everyone but online [registration is mandatory](#).
