

EURALO February 2018 Report

EURALO Taskforce on ALS Engagement Call 6 February 2018 at 17:00 UTC

The EURALO ALS expertise table to be updated.

<https://docs.google.com/spreadsheets/d/1QjrOsGLQCCuMYJhVaLIVtYw-ifDSeNX2BXGUtyayZNA/edit?ts=58a1d594#-gid=809962045>. At-Large staff to send a reminder to all ALSes to update the expertise table (google document) and to the EURALO individual Association to include individual names to the table.

EURALO Chair, Olivier Crépin-Leblond (OCL) suggested the inclusion of the ISOC Norway Chapter that has just joined EURALO to the ALS expertise table.

The EURALO Taskforce on ALS coordinator, Yrjö Länsipuro (YL) to send an email to ISOC Norway explaining the objectives of updating the expertise table.

The EURALO Facebook group; named [EURALO-ICANN At-Large Facebook group](#) has been created. EURALO Secretary, Wale Bakare (WB) granted (by EURALO Chair) admin privilege rights to allow him to post on, update the [EURALO-ICANN At-Large Facebook group](#).

YL, EURALO Taskforce on ALS Coordinator sent an email to WB with an appropriate message posted on EURALO Facebook group informing the ALSes to become more active in Social media channels.

The At-large Twitter account - @ICANNAtlarge. Hiedi suggests we need to identify who's managing the At-Large Twitter account.

EURALO GDPR Webinar, 19 February 2018

The EURALO GDPR webinar offers the opportunity to increase the understanding of practical implementation of GDPR both from a Registrar, a Registry and a Registrant perspective.

The Webinar's panelists are:

- Thomas Rickert (ECO Internet Industry Association) - GDPR from a Registrant or Organisation point of view.
- Pierre Bonis (AFNIC .FR Registry) - GDPR from a European Country Code Top Level Domain operator's point of view.
- Michele Neylon (Blacknight Solutions Hosting, Colocation & Domains) - GDPR from a European Registrar and business point of view.
- Athina Fragkouli (RIPE NCC) - GDPR from the Regional Internet Registry of IP addresses point of view.

Moderator: Olivier Crépin-Leblond

EURALO February Call 20, 2018

EURALO CROP

Heidi Ullrich (HU) commented that “under the CROP Procedures & Guidelines, a proposal must be approved by the CROP RT and the applicable regional GSE VP a minimum of 6 weeks prior to the proposed travel date. Therefore, to allow sufficient time for CROP RT and regional GSE VP to review, and for RALOs to update proposals based on comments received, proposals should be submitted to the CROP RT list 8 weeks prior to the proposed travel date”.

Re:publica 2-4 May 2018: Annette Mühlberg (AM), Oliver Passek(OP) and Wolf Ludwig (WL) to coordinate and work with EURALO CROP funded candidate. EURALO members agreed that Matthias Markus Hudobnik will represent EURALO at Re:publica.

OCL to follow up on the EURALO mailing list on the suggestion from Oksana for EURALO support the petition against the reduction of the ICANN fellowship as well as to write an EURALO statement against the CROP elimination.

Security, Stability & Resilience of the DNS Review Team (SSR2)

OCL has emailed Lutz Donnerhacke asking him whether he would be interested in participating in the SSR2, as an EURALO representative to the Review Team2.
