EURALO April 2018 Report

1. General Data Protection Regulation and ICANN

Challenges of GDPR

EURALO chair, Olivier Crepin-Leblond (OCL) reminded members about the importance of the General Data Protection Regulation, GDPR as it relates to ICANN/WHOIS.

The ICANN web page about Data Protection/Privacy issue is on
https://www.icann.org/dataprotectionprivacy
The EURALO has conducted several webinars to address different angles of GDPR, as well as At-Large.
- The At-Large Capacity Building webinar held on 2018-01-24. Topic: "Data Protection - What do you need to know as End-Users about GDPR". The webinar record on
https://community.icann.org/x/wgW8B
The webinar included presentations from Chuck Gomes and Thomas Rickert, they explained GDPR and how it relates to end users.
- The EURALO webinar on General Data Protection Regulations (GDPR) held on 2018-02-19. Link to the recorded webinar on https://community.icann.org/x/nhS8B
The webinar had Thomas Rickert, Pierre Bonis, Michele Neylon and Athina Fragkouli explained to us how their organization worked towards GDPR *implementation*.
An email message to EURALO members, EURALO chair, OCL, asks members to share experience on how their individual organization is addressing GDPR**.**
Also, OCL asked members to share their individual organization's on how concerns brought forward by GDPR are being addressed. OCL suggested that volunteers to share experience on this will be given approximately 5 minutes for presentation. The call on GDPR is expected to happen next month (May 2018).

Any interested volunteers to, please email to staff@atlarge.icann.org, copy EURALO chair, OCL as well as Yrjö Länsipuro (YL) and Annette Muehlberg (AM)

2. EURALO April Call, 17 April 2018

Sébastien Bachollet (SB) commented that we should include latest topical ICANN issues such as GDPR updates, the ongoing discussion at GNSO. Basically, SB is concerned about ICANN/WHOIS compliance.
SB talked briefly about the CCWG WS2 final report. He mentioned about the discrepancies in WS2 and WS1, then Charter report will be done before WS2 goes to the board.
Roberto Gaetano (RG) commented on the threshold of the By-Laws. He said the voting of GNSO was done as a participant.
OCL clarified that the GNSO is sub-divided into different sub-groups.

GDPR Discussion

SB commented that ICANN has requested a year timeline to put the proposed model in conformance to the GDPR law. SB said he does not know how ICANN would tackle the specificities highlighted in the response letter by WP29.
Christopher Wilkinson (CW) said he has not read the letter (WP29 response) thoroughly but would need more time to digest the letter. But voiced that the letter has a political undertone.
Silvia Vivanco commented that there is a webinar on GDPR on 18 April 2018.

OCL said he was in contact with NCUC and has attended the meetings on capacity building at ICANN meetings.

Webinar on Cybersecurity

SB commented that he is much more concerned about the end users' protection, privacy online and others rather than social network or infrastructure. And that the

EURALO should not wait for the governments before we talk about end users' concerns.

CROP Slots to Outreach Activities

OCL mentioned about the CROP slots and the number of slots available for this year. He mentioned of ISOC Bulgaria, and that two EURALO members, OCL and SB would be attending ISOC European Chapters meeting where they would take At-Large brochures.

ALAC and EURALO 2018 Election

Silvia Vivanco said that the announcement for the call for nomination is between 23 April and 3rd May. The positions open for EURALO ALAC member and ALAC delegate to the NomCom.

SB asked when the nominated candidates will be announced. Heidi Ullrich responded that results will be announced shortly after the nomination period.

Community Onboarding Program

OCL raised a question – how do we select a participant to attend the ICANN62 meeting in Panama City? OCL stated further that - whether we should just pick a candidate that has been active in EURALO or make a call.
SB suggested we should discuss the selection of candidate to Community Onboarding program at EURALO Board call on 18 April.

3. EURALO Board Conference call 18 April 2018

Third EURALO GDPR Webinar

Jean-Jacques Subrenat (JJS) suggested that we should have between 10 or 15 participants, who have the knowledge and legal understanding of the topic. JJS furthered that more ALSes should take part in GDPR discussions.

OCL – made a reference to the ISOC's perspective on the GDPR by involving all Chapters and members. OCL said he would send an email to ALSes to take part in the topic.

YL commented that an online course should also be an option.

Webinar on The Impact of Human Rights

OCL to send an email to Annette on the impact of human rights Cross Community Working Party on the webinar.

Proposal 3: SSR2 Review

JJS suggested that EURALO Chair or someone from members to send a letter to SSR2 Review Team and emphasize the protection of data.

OCL said no one knows how the WHOIS will go about it and asked members whether he should send a letter to SSR2 Team now or after the GDPR has taken place?

Proposal 4: EURALO Facebook Group

Wale Bakare stated that EURALO Facebook Group has been set-up and to date around 12 members have joined the EURALO-ICANN At-Large group.

YL commented that there is a need for members to put more information to grow the group for outreach activities.

Selection of Community Onboarding Program (COP) Candidate for EURALO (In-Camera)

Discussions about the candidates who have applied for the COP program in Panama yielded the proposal of Matthias Hudobnik (MH) to the ALAC selection committee.

EURALO CROP Requests for FY17: EuroDIG - Call for Volunteers for CROP Travel (In-Camera)

Following a discussion of the members of the EURALO Board, the following individuals, having applied for funding, have been selected to receive CROP Travel Funding:

1. Clément Genty
2. Andrei Kolesnikov
3. Oksana Prykhodko.

The Chair has transmitted these names to the CROP application which was filed accordingly.

Action Items

- *Olivier Crepin-Leblond to take the lead on the coordination of the third GDPR Webinar, targeting the last week of April or first 2 weeks of May. The objective will be to make it a "reporting" session with ALS sharing their experiences on the implementation of GDPR.* Olivier Crepin-Leblond *to send another email to all EURALO ALSes asking them to share their experiences on GDPR.*

- Olivier Crepin-Leblond *to liaise with Annette Mühlberg to set-up a Webinar on the topic Framework of Interpretation and Develop a checklist for human rights impact assessment.*

- *On Proposal 3 : Discussions are still ongoing about RDS (Registration Directory Services) and SSR2-RT (Security & Stability Review Team #2); there is still a focus on the security aspect: privacy vs. security. Olivier- to contact SSAC, first to identify what is the best time to start a discussion and as suggested by Jean Jacques highlighting the point that the privacy aspect must be considered alongside security and stability aspects. That is a central concern of our user community.*

- *Silvia Vivanco to open a wiki page on Proposal 3 in coordination with Olivier.*

- *Wale Bakare to continue updating and promoting the EURALO Facebook.* Olivier Crepin-Leblond *to send an email to all EURALO ALs encouraging them to get engaged in the EURALO FB page.*

- Olivier Crepin-Leblond *to notify Alan Greenberg that Matthias Markus Hudobnik is the selected EURALO COP candidate.*

- Olivier Crepin-Leblond *to notify Andrei Kolesnikov, Clement Genty and Oksana Prykhodko on their selection for the CROP slots for EURODIG.*
