

November Report

EURALO- CENTR MOU Update

EURALO Chair, Olivier Crepin-Leblond (OCL) communicated to the EURALO members by email that on Tuesday 13th November 2018, the Chair of the Board of Directors of CENTR, the Council of European National Top-Level Domain Registries and representative for DENIC Jörg Schweiger, will be co-signing a Memorandum of Understanding (MOU) with him for the purpose of collaboration between EURALO and CENTR.

OCL elaborates that the collaboration between CENTR and EURALO will be based on a mutual agreement listed as follow:

- 1) Regularly updating each other on areas and activities of mutual interest;*
- 2) Encouraging awareness of each other's activities and mission among their respective members;*
- 3) Promoting Internet development in the European region by encouraging participation in fora relating to Internet standards, policy development and Internet governance;*
- 4) Promoting an open, bottom-up, multistakeholder Internet governance model;*
- 5) Raising awareness about the DNS and its importance in maintaining an open Internet;*
- 6) Collaborating on joint capacity-building events and related activities of mutual interest, including meetings, training courses, projects and workshops in the areas of Internet policy and Internet governance.*

EURALO signing MoU with CENTR at IGF Paris

The text below was an email sent by the EURALO Chair, Olivier Crepin-Leblond (OCL) to the EURALO community, on the signing ceremony of the MOU between the EURALO and CENTR at the 2018 IGF in Paris.

"I am very pleased to sign this Memorandum with CENTR on behalf of EURALO. The aim of EURALO, as defined by our community, is to have at least one At-Large Structure in every country of our region. Collaborating with CENTR will reinforce the

multistakeholder model that has already generated great opportunities, starting with National and Regional IGFs. Thanks to CENTR for considering this collaboration and to AFNIC for proposing that we sign this document at the IGF in Paris."
