

EURALO April Report, 2019

A. EURALO Engagement and Outreach FY19

The EURALO report for the month of April highlights the activities of EURALO community members at various working groups as well as the remaining EURALO Engagement and Outreach events for the Financial Year 2019 (FY19).

EURALO Task Force on ALS Engagement asked the EURALO community members to volunteer for the following regional events:

- SEEDIG (using RALO discretionary budget)
- EURODIG using CROP

The following candidates have volunteered for SEEDIG:

- Nenad Marinkovic (NM) - Serbia
- Matthias Hudobnik (MH) - Austria

As for EuroDIG, Natalia Filina from Russia has agreed to attend the event on behalf of the EURALO community.

The other upcoming event include RIPE NCC in Reykjavík, Iceland, 20 -24 May 2019. Bastiaan Goslings (BG) volunteered to attend the RIPE meeting and will assist EURALO community on the outreach activities there.

The Financial year 2020 (FY20) O & E: Matthias Hudobnik (MH) has volunteered to help with At-Large Booth at 2019 IGF in Berlin in November.

B. ATLAS III - 60 Additional At-Large Members Selection Process

During the joint ATLAS III, LDT & Programme Sub-Groups Call Wednesday, 17 April 2019. The preparation for ATLAS III was discussed including the

launching of the selection process of the additional 60 At-Large community members to attend the At-Large Summit which will take place in Montreal, Canada at the ICANN 66 meeting in November 2019.

B1. Selection Committee ATLAS III

ALAC Liaison to the GAC and EURALO member Yrjö Länsipuro has been nominated to the ATLAS III selection committee. The full details of the work of the selection committee can be perused at

<https://community.icann.org/display/ATLAS3/ATLAS+III+Selection+Process>

B2. Online courses, Application form and Guidelines

As part of the criteria that must be met by the applicants interested to attend the At-Large Summit III, candidates must complete online courses either via the ICANN Learn portal (main path to selection) or attend a series of real-time webinars.

The mandatory courses are 5 subjects designed and developed by the ATLAS III subgroups Leadership Development Team.
