GAC response to the Supplemental Final Proposal on Work Stream 1 Recommendations of the Cross Community Working Group on Enhancing ICANN Accountability

The GAC has no objection to the transmission of the proposal to the ICANN Board.

The GAC expressed:

- Support for the multistakeholder, bottom-up approach within ICANN
- Reiterates its interest in participating in the post-transition phase
- Reaffirms its role as an advisory committee to the ICANN Board and within the ICANN multistakeholder environment
- Supports Recommendations 1 to 10 and 12.
- Expresses its willingness to take part in the envisioned empowered community mechanism as a decisional participant, under conditions to be determined internally.
