# Relevant Points at ICANN 55

- ▶ **ALAC has discussed deeply and has approved by consensus ratification of CCWG ( accountability..) final proposal –ALAC decided to leave disagreed points to Work Stream 2 and contributes to allow Report to be sent to NTIA at the end of that meeting (which really happened).**
- ▶ **ALAC had a dinner on Saturday night with Mr. Göran Marby, the new CEO of ICANN – impressions.**
- ▶ **LACRALO had an special Meeting - Humberto sent details by email to our community after such meeting.**

# Relevant Points at ICANN 55

- ▶ **LAC SPACE – presence of NICK Tomasso +SALLY Costerton ( Meetings and Engagement) bringing explanations about exclusion of Panamá meeting ( June) and compensation alternative:**
  - ▶ **PANAMA was out due the Zika Virus (summer time) hence advices from communities that they will not attend.**
  - ▶ **Compensation: LAC Strategy- together with all regional groups shall suggest any alternative for the region, urgently, to compensate the region.**

# Other issues discussed

## ▶ Internal ALAC –

- ▶ **Compliance - brought from Garth with ICANN Compliance director and Consumer Trust – CCWG Kaili as participant.**  
**Documents:**  
**(<https://community.icann.org/display/CCT/CCT+Meeting+%236+-+23+March+2016>)**
- ▶ **GNSO new gTLDs Subsequent Procedures met F2F and Avri read history and next steps. Due the larger task it is dividing into Stream 1 and subsequent numbers. New PDP process and CCWG is calling for participants.**
- ▶ **Working Groups debates and up to date: Outreach is special was great with all French speaking receiving students ( Fadi and Steve) and visited university, reporting great enthusiasm. + Review WG to focus on ALSs) + Technology task force + Academy WG.**
- ▶ **Discuss on White Paper on Summits and General Assembly. We do not have definition yet about next general Assembly.**

## Other issues discussed

- ▶ **Public Forum- GAC agreed with the final CCWG final text and it was approved by the Board. Festive End.**
- ▶ **Changes on the public Forum model- one session for the public, but still complains about the few answers from the Board to public question in public.**
- ▶ **New Meeting in Helsinki, Finland.**
- ▶ **Not clear at all if the MODEL B will full remain at this country...**
- ▶ **Not clear yet if they will keep Puerto Rico ( same problem – island + Zika Virus + summer time)**

**Question? other colleagues attended  
ICANN 55 want to add anything relevant?**

**THANK YOU!!!**
