Additional information (name, email, telephone, etc.)

Structure and governance
----

to. Are the members of your organization residents of this specific region that you want to represent?
No

B. Are the officials in your organization residents of this specific region?
No

Explain the above answer in sufficient detail so that a person unfamiliar with your organization can understand the reasons for your response and refer to the URLs where you can consult the statutes or operating principles or other supporting information regarding this question:

Statute. Article 17: In the event that a grouping is formed with other associations or similar bodies, as well as on such other occasions as may be necessary, the Delegates of the association may be appointed by the Board of Directors, and shall report these appointments to The General Assembly at the first meeting it holds for its due ratification or modification in its case. Appointments that are made in accordance with the Statutes or Regulation of those organizations of grouping in which the association is integrated are excluded from this process.

C. Is your organization formally constituted or organized under a national legal jurisdiction?
Yes

IF YES: describe the legal recognition you have and indicate the place of constitution or legal registration
Directorate General of Public Records of Paraguay, given in Asuncion on May 26, 2014, No. 610, folio 7006 Series B. Public Deed No. 4760768.

D. Describe the structure of your organization (eg, management and decision-making bodies and processes):
Membership status: Any interested person can join the association, once all the formalities and forms have been completed. All members of the chapter will also be members of the Internet Society.
There are 4 categories of members:
• Number members: they are approved by the board of directors, they pay social quota and they are registered in the book of the association.
• Honorary Members: national or foreign persons who show relevant achievements in activities related to the Internet or ICTs
• Cooperating Partners: natural or legal persons related or sympathizers with the aims of the association who want to contribute economically.
• Student members: students from educational institutions of the Paraguayan state and who have their residence in Paraguay. They have all the rights, except the vote, do not pay social quota.
The General Assembly constitutes the maximum authority of the Association.
The Management and Administration of the Association is in charge of a Board of Directors, composed of a President, a Vice President, Secretary and Treasurer, appointed by the General Assembly, which may remove them for serious reasons.

and. In what language (s) does your organization conduct business?
Spanish.

About Your Members

----

to. Do you have individual members with the ability to vote or otherwise control the administration of the organization?
Yes

If YES: Describe the roles that people have in the administration and work of the organization.

B. Do you have organizations like the whole membership or part of it?
No

If YES: describe whether they are for profit, not for profit, a combination of both or what proportion of the total membership corresponds to each type of private sector organization. Also describe the nature of the members of the organization: For example, are they all of a similar type or interested in a policy area or similar activity?
There are currently no legal entities as partners. But the bylaws allow legal persons to be cooperating members.

C. Do you have government agencies, or quasi-governmental agencies, as members of your organization?
No

If YES: describe your nature and role in the decision making and work of your organization, and the proportion of the total membership that make up these types of organization.
There are currently no legal entities as partners. But social statutes allow legal persons to be active members and benefactors.

D. Describe the members in general - do they belong predominantly to a group (or several) of interest or professional knowledge? (Eg journalists, online rights activists, consumer organizations, individual consumers, etc.):
Currently, most of the active and adherent members are individuals from different professions (lawyers, ICT professionals, doctors, teachers, public officials, social activists).

and. Describe how your organization keeps its members / members informed about decisions about issues of interest and how it allows them to participate in such decisions:
Web page news section, bulletins to the mailing list (members@isoc.org.py), quarterly meetings.

F. How many members do you have of each type of membership class if you have more than one?
Partners: 54, cooperating partners: 6, honorary members: 3, student partners: 23

G. Explain the eligibility requirements (if any) for members / members of your organization:
Membership status: Any interested person can join the association, once all the formalities and forms have been completed. All members of the chapter will also be members of the Internet Society.

Financing
----

to. What are the main sources of funding for your organization? (If you do not have financing / it is totally voluntary, only indicate "N / A"):
N / A

B. Is your organization primarily self-sufficient and not dependent on ICANN funding for the day-to-day operations of the organization?
No

C. Do you receive any kind of funding from government agencies or for-profit entities? If so, describe below and describe your participation in the activities of the organization (if involved):
The Association is not for profit, only a minimum half-yearly fee is charged to the associates to cover the minimum administrative expenses.

Communication
----

to. Does your organization commit to supporting the informed participation of its members / individual members in ICANN?
Yes

B. Does your organization publish publicly accessible current information on the objectives, structure, description of the group of members / members, working mechanisms, leadership and contacts of your organization on the Internet?
Yes

If this information is currently available, provide the URLs:
Http://www.isoc.org.py

C. Provide information about your organization's leadership (names, titles, email addresses of leaders):
Ricardo Aveiro, president, ricardo.aveiro@isoc.org.py
Lisa Mujica, secretary, lisa.mujica@isoc.org.py
Nicolas Caballero, treasurer, nicolas.caballero@isoc.org.py
Sergio Barua, trustee, sergio.barua@isoc.org.py

Natalia Enciso, vocal, natalia.enciso@igf.org.py

D. Do the leaders of your organization, as individuals, participate in other organizations or similar entities?
Yes

If yes, please mention:
Latin America and the Caribbean Internet Entranamieto Center (CEILAC)
ICT Society of Paraguay (SOTIC)
National Secretariat of ICT (SENATIC)
Paraguayan Association of Computer Law (APADIT)

Mission
----

to. Describe the mission and purpose of your organization (do it in the text box below or provide a URL, if published):
ISOCpy is a private non-profit, public-benefit partnership created to promote the development, affordability, open and universal use of the Internet; Fostering the adoption and research of Information and Communication Technologies for the benefit of Paraguayan society.
Mission:
Promote the use of the Internet as an instrument for sustainable development.
Provide an open space for discussion to encourage the study and adoption of new Information and Communication Technologies (ICT), with special emphasis on the Internet to promote human development.
To promote the consensus among the different actors of society with respect to public policies for the development of the Internet ecosystem.
Promote and encourage the adoption of public policies, programs and projects that promote affordable and universal access to the Internet in conditions of equality and equity for Paraguayans.
Promote the use of the Internet at all levels of the national education system.
Promote the open development and evolution of the Internet, its services and contents for the benefit of all.
Promote regional and global Internet activities in Paraguay.
Promote the participation of Paraguayan society in the economy of information and knowledge.
Promote the execution of individual and / or group research work.
Promote communication, rapprochement and capacity-building of chapter partners.
Encourage and facilitate relationships with partners in other chapters of the Internet Society.

B. What are the ICANN-related issues currently relevant to members / members of your organization ?:

Intellectual property, cybersecurity, whois data base, domain names, IDN.

C. Has your organization created an actual event, meeting or activity pertaining to Internet governance issues or other issues relating to the interests of individual users?
Yes

If yes, please provide examples:
ISOCpy has organized the three national IGFs of Paraguay (2014-2015-2016); Serves as the permanent secretariat, approved by regulation, of the multi-stakeholder organizing committee.

D. Has your organization actively participated in national, regional or international Internet governance issues?
No

If yes, please provide examples:

and. If your organization is accredited, will it commit to actively participate in the Regional At-Large Organization (RALO) for the region on which it is based?
Yes

F. If your organization is accredited, do you agree or agree to abide by the terms of the Memorandum of Understanding (MoU) between the other ALSs in your geographic region and ICANN, as if you were an original signatory of that document?
Yes

G. Has your organization drafted statutes or other constitutional instruments?
Yes

IF YES: insert the text of the statutes or other constitutional instruments written below (in English if they exist)
Https://isoc.org.py/isoc/?p=609
