Dear LACRALO community,

I express my interest in serving as President-elect for the period 2021-2023.

My extensive experience in the public and private sectors encourages me to aspire to this volunteer position, not only in the social sector, but also in the area of communications and information technologies, especially in the field of digital inclusion. of vulnerable communities.

In addition, and in accordance with our procedural rules, I belong to the Andes region, where my country, Colombia, is located.

My involvement with ICANN began in 2018, when I was a fellow of the GLOBAL INDIGENOUS AMBASSADORS PROGRAM for the ICANN61 meeting in Puerto Rico. After that meeting I became a representative of ALS AGEIA Colombia today called Minka Digital Colombia for LACRALO. I also had the honor of being a fellow for the meetings of ICANN 63 in Barcelona, ICANN 65 in Marrakech and ATLAS III Montreal. I am linked to the following working groups of the At Large community and LACRALO:

ALAC Subcommittee Outreach and Engagement - Regional chair for ICANN70. At Large Social Media WG - Regional Vice Chair LACRALO - Regional Chair for ICANN70. Consolidated Policy WG. ATLAS III Program WG. ATLAS III Capacity building Sub Group. Former Chair LACRALO Communications WG. At Large Communications Strategy Sub Group O&E SC. LACRALO Governance WG. Capacity Building WG - Webinars sub team and LACRALO Multilinguismo / IDNs WG.

I am also Vice Chair of the Universal Acceptance Steering Group Communications WG and a member of the NomCom Review implementation WG. I am also a member of DNS Women, of various chapters of ISOC, I have been a fellow of LACNIC, SSGI, NASIG, Colombia CIO Summit.

As you can see from my participation in LACRALO, I have been an active member of our region contributing to its development and contributing to the work we develop as a community within At Large and ICANN, it is also relevant to opt for the possibility of having for the first time guiding the destinies of our RALO to a woman who is also of indigenous descent. Also for me it will be one of the priorities the union of our region, promote teamwork, create the propitious scenarios to continue growing as a region, the participation of our members in the different At Large groups and the work of cooperation and integration with the other RALOS.

This together with my participation in the different groups of At Large and ICANN, in the Internet governance ecosystem and my long professional experience, I know that I can achieve in the next period with a committed work from the position to which I aspire within LACRALO all the objectives set. If I am selected, my commitment will be stronger and more determined towards our community. I am attentive to answer any questions that the community may ask me.
