Position: Secretary Elect (June 2021); Secretary – AGM 2021 to 2023

Dear LACRALO Community

Thanks to Mr. Dev Anand Teelucksingh for nominating me for the position of Secretary 2021 to 2023, and the persons who seconded this nomination: Tracy Hackshaw, Vanda Scartezini and Sylvia Herlein Leite. I am thrilled to be considered for this position, and accept this nomination. I understand that due to a vacancy in the position caused by the resignation of the previous incumbent, that if elected, I would immediately occupy to position of Secretary Elect until the AGM.

I am a long standing member of the Internet Society of Trinidad and Tobago an ALS in ALAC, and a member of the coordinating team of CaribNOG a volunteer organizations dedicated to building capacity, skills and the knowledge base of network engineers and network operations in the Caribbean region. My involvement in ICANN began with an application for and receiving a fellowship to participate in ICANN58 Community Forum in Copenhagen in 2017, and subsequently participated as a Fellow in ICANN59 Johannesburg and ICANN62 in Panama. I also attended the ICANN64 meeting in Kobe where I mentored 3 first time fellows. Since my introduction to ICANN, I have had an interest in the At Large community and have been a member of NCSG and NCUC.

I am prepared and willing, if selected, to effectively and actively serve in this leadership position in LACRALO, and look forward to representing the Caribbean region and to contributing to the work of the wider At Large community within ICANN. I believe that I am up to the challenge of this position, and that my professional experience and my work in other Internet governance fora make me a ideal candidate, and look forward to working on the team other very experienced and committed members. Thanks again for the nomination.
